A message from Kentucky Commissioner of Agriculture Dr. Ryan Quarles

Dr. Ryan F. Quarles

Dr. Ryan F. Quarles
Kentucky Commissioner of Agriculture

Dear Friends,

Welcome to the 2023 Santa Gertrudis Show and Sale. The Kentucky Department of Agriculture is proud to have this recurring event for "America's Original Beef Breed" in Kentucky.

The Santa Gertrudis breed is well-known for its adaptability, efficiency, and hardiness. The characteristics of this breed are ideal for varied and sometimes challenging conditions.

At the Kentucky Department of Agriculture, our team is committed to providing crucial services to our growing beef cattle industry. Whether through disease prevention and eradication, marketing, or assistance with livestock shows across the commonwealth, the Department is dedicated to helping you succeed.

Again, welcome back, and best wishes for a successful Santa Gertrudis Show and Sale. ■

Wow Kamilla is in the top 30% of 9 epd traits especially pay attention to her milk epd and Tmat epd top 4-5%. That is going to be a lot of longevity and weaning weights for the buyer to take advantage of. Step back and study her genetic makeup those genetics are strong and true very predictable Future donor or front pasture female. PC will furnish 2 straws of semen if you like of our bull arsenal to keep her productive.

Klara has 10 traits in the top 25% of her epd file she is strong in her milk and Tmat epd of 2-3% this trait is hard to get that percentage great weaning weights on her future. Her pedigree is the who's who of the Gert world you will have a chance to step out their with her go to make her a future and and proud to show people her offspring later on trying to bring the best of our genetics to you. PC will also furnish 2 straws of semen on any of our bull arsenal to keep her producing.

This is one first copperhead 915C4 bulls we've put on the market he is sired by one power donor female 118/11. She is big stout donor from the briggs ranches. He has 8 traits in top 30% of his epd profile. This bull is gentle halter broke and ready to go to work for you. Very balanced deep bodied level hip great scrotal and sheath. He is a future herd sire. I am trying to bring you a bull I'm proud of and one I would breed personally myself still has show eligibility left. Pay attention he's the right kind herd bull alert that's why he has such a great name Mr. Delmo.

Ms forgotten one "Gazelle" she has 11 traits in top 35% of her epd profile. Be aware of her genetics her mother is a full sib to hemo 017/H7 their mother is the famous world champion cow 017D7 which is full sister to its barrow daughter reserve national jr show champion female 2017. Then out of forgotten his marbling epd is like a. 47 crazy good catalyst son that bull is producing. This female is very gentle halter broke and folks she is classy dang she can give you a cool look this is the kind you really don't want sell but sometimes you have to take a look she want disappont.

This female's mother won her class at the national jr heifer show. PC will furnish 2 straws semen out of our bull arsenal to get her bred if owner would like her off spring if bred purebred bull will be eligible to be registered purebred. This female has 7 traits in top 30% in epd profile. She has a lot potential she is thick deep chested lots of volume she is sired by the forgotten one man his scrotal and marbling epd is something to be recognized. She's really nice.

SALE TERMS & CONDITIONS

Except for those stated in the below terms and conditions, there are no warranties, either expressed or implied, as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction.

TERMS: Terms of sale are cash or check payable at sale location.

DISPUTES: Each animal will be sold to the highest bidder. In case of disputes, bidding will be re-opened between the parties involved.

HERD HEALTH: Each animal must have an individual health certificate indicating a clean test for Brucellosis (Bangs) and Tuberculosis (TB) within 30 days of the sale. Cattle from certified and accredited herds do not require tests, but an interstate certification of veterinary inspection (ICVI) is still required.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

ANNOUNCEMENTS: Announcements from the auction block will take precedence over the printed matter in this catalog. Buyers are therefore cautioned to pay attention to any such announcements.

BREEDERS GUARANTEE: Cows represented as being pregnancy tested "safe in calf" have been examined and declared safe by a licensed veterinarian and will be accompanied by a veterinarian's certificate to this effect. They are considered breeders without further guarantee. Cows with calves at side shall be considered breeders also without further guarantee. Cows and heifers represented as "bred" are not guaranteed safe in calf, but they and open heifers selling as individual lots are guaranteed breeders. No guarantee shall apply to suckling calves. No guarantee is given that a pregnant female will deliver live calves or that she will carry calves full term. The seller is not responsible for damages caused by foreign bodies after the animal has been sold and for sickness not apparent at sale time. Bulls sell with satisfactory semen test within 30 days of sale.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, Auctioneer nor seller assumes any responsibility in this manner and denies any liability, legal or otherwise, in the event of accident or loss of property.

LIABILITY: The Sales Management and/or Auctioneer has been employed by the consignor(s) of the animals being sold solely for the purpose of advertising and conducting the subject sale. All information regarding the subject animals as published in the sale brochure and as announced at the sale is based on the representation made to the Sales Management and/or Auctioneer by the consignor(s). The Sales Management and/or Auctioneer has not made any independent investigation to verify title, health, registration and lien status of the subject animals. The Sales Management and/or Auctioneer make no representations, either expressed or implied, as to whether or not the subject animals are security under any lien, legal or equitable.
