This year marked the 20th anniversary of Red Doc Farm's Red Hot Bull Sale. The auctioneer was Leo Casas. The three sales were well attended, and high-quality cattle sold for top dollar across the United States and internationally. The high-selling bull was Lot 2A, Red Doc Parranda 2489, a full semen interest, that sold to J&J Breeding Services, Albuquerque, N.M. The volume buyers

were Jyp McCorkel from New Mexico and Rhett Crane from Utah. This year was driven by domestic buyers out of the Mountain West and Florida, with bulls going to new and return commercial cattlemen. The Sanchez family and the Rocky Mountain affiliate would like to thank all those who attended from the Santa Gertrudis breed and from the commercial beef industry.
