MEMBERSHIP APPLICATION

Santa Gertrudis Breeders International was organized in 1951 for the following purposes:

- ➔ To continue the improvement of Santa Gertrudis cattle throughout the world;
- ➔ To work for the standardization of the breed by the maintenance of the “Standard of Excellence”;
- ➔ To protect the breed from misrepresentation;
- ➔ To establish a practical registry;
- ➔ To disseminate information and to market, merchandise and promote the breed.

Membership in Santa Gertrudis Breeders International is open to anyone who is interested in Santa Gertrudis cattle and in the purposes of the association.

MEMBERSHIP PRIVILEGES

Membership in the association allows breeders to record and register their purebred offspring. All members receive an annual subscription to *Santa Gertrudis Source*, the official publication of SGBI.

Services to individuals, corporations, partnerships and firms that are not members of Santa Gertrudis Breeders International are limited to the transfer and classification of previously registered Santa Gertrudis at substantially higher rates.

Assigned herd numbers with the SGBI association are non-transferable, except with the approval of the Board of Directors. The membership and herd number held by a member of a family who dies or retires from the purebred Santa Gertrudis business may be transferred to another member of the family.
