Hello,

The National Junior Santa Gertrudis Association is proud to host the 2026 National Junior Santa Gertrudis Show, taking place June 14–20, 2026, in West Monroe, Louisiana. This event brings together junior exhibitors and families from across the country for a week of high-quality cattle shows, youth leadership development, educational contests, industry networking, and meaningful fellowship.

The National Junior Santa Gertrudis Show is one of the most influential youth events within our association. It provides young cattlemen and cattlemen with opportunities to grow their skills, strengthen their character, and build lifelong connections within the agricultural community. We are dedicated to keeping participation affordable for families and creating an exceptional experience for every junior member. We rely on the generous support of sponsors to make that possible.

We would be honored to have your partnership through one of our sponsorship levels listed below:
